SP APPROVES PRO-PEOPLE AGENDA OF ONE DAVNOR ONE TEAM

After certifying as urgent by Kuya Gov Edwin I. Jubahib the Executive-Legislative Agenda of Davao del Norte for CY 2019-2022, the Sangguniang Panlalawigan (SP) made it a priority. The SP has approved immediately the said development blueprint. In its unanimous voting, the lawmaking body has also signaled its mobilization and its implementation within the term of local elected officials of the Province.

The Executive-Legislative Agenda has two separate platforms of governance to be espoused by Executive and Legislative Departments. As defined, the Executive-Legislative Agenda is a planning document that is mutually developed and agreed upon by both the Executive and Legislative Departments of the Local Government Unit (LGU) in a given period. The Executive Agenda (EA) contains the major development thrusts of the local administration including the development priorities of the Governor while the Legislative Agenda (LA) is a package of priority policies and legislative measures designed to support local development priorities particularly those contained in the EA.

Banning the vision “Davao del Norte is a Leading, Innovative and Competitive Province with Empowered and Resilient People”, the EA has summarized its plan of action into “capitalizing on Radical Change in shaping a better future” which secures Davao del Norte’s lead in terms of an all-inclusive socio-economic growth. On the other hand, the LA has summed up its accord by adopting the EA in its entirety and declare the same to be the LA in principle. The LA shall embrace the 7-point development strategy of the administration. It also commits to provide the necessary legislative actions and oversight tasks in popularizing and mobilizing the ELA as a whole.

In an interview, Vice-Governor Rey Uy emphasized that projects, programs and activities listed or contained in the ELA are “shopping lists” waiting to be “marketed” or implemented. “Kami sa SP magpahibalo gyud sa aito-ang Kuya Gob kung adunay projects ug programa nga amo-ang madugang sa ELA suid od amo-ang termino nga kinahanglanon sa aito-ang katawan”, the former Tagum City mayor said.

The drafting of the Executive Agenda has undergone series of meetings and consultations with the identified stakeholders including the civil society organizations and private sector. The LA was a product of successive Committee of the Whole Meetings and public dialogues. The composite ELA, the considered mother of all development plans by local legislators and policy makers, was adopted last February 17, 2020 through Resolution No. 223 during the Sangguniang Panlalawigan’s 7th Regular Session for 2020.

SP FINDS NEW HOME IN 2021

After experiencing several deferments and setback on its proposed construction since year 2000, the SP-Davnor (Term 2019-2022) will be occupying a new two-story Legislative Building next year in an area of almost five thousand square meters (5,000sq.m) inside Capitol Compound, courtesy of Vice Governor Rey T. Uy’s resolve and commitment to provide a quality work structure for his legislative family that shall result to a high quality output of public service to the Dabaonon people.

During the groundbreaking for the construction last February 19, 2020 attended by Governor Edwin I. Jubahib, SP Officials and employees with Capitol Department Heads, Vice Governor Uy told in a livestreaming interview that the new building will house the Offices of the Vice Governor and fourteen (14) SP members, Office of the SP Secretary, Session Hall, Conference Rooms, archives, visitors lounge and mess hall. Asked as to the utilization of the old Legislative Hall, the former youngest provincial legislator of the 80s said “Way problema nang ma-vacate nga building kay daghan na ang napa-reserve (nga magsugod) so it’s worth nga magtukod tag bag-o kay walya masayang nga old building.” The current SP Hall was first occupied by then Vice Governor Pedro B. San Jose and colleagues in the year 1995 but it was first utilized as Hall of Justice where the chambers & sala of trial court judges were accommodated.

According to the Vice-Governor, the present SP Hall cannot conveniently accommodate anymore the throng of people who used to transact business to the SP officials especially the crowd witnessing or attending the conduct of sessions, hearings and legislative fora in aid of legislation.

He further stressed that given the modern facilities and high-end systems that will be established in the new P150 Million-building,
The Sangguniang Panlalawigan of Davao del Norte readily welcomed its new member, Hon. Datu Ariel S. Macla, during the conduct of Maiden Session at the SP Session Hall, Capitol Building, Mankilam, Tagum City, on January 6, 2020. He took the vacant seat of Indigenous People’s Mandatory Representative (IPMR), the post which has been mandatorily given to the Indigenous Cultural Communities/Indigenous Peoples by virtue of RA 8371 or the IPRA Law. Passing the torch was Datu Marcial Lig-onan whose term as Provincial IPMR had ended in December 2019.

The 49 year-old Kagan-native, accompanied by his jubilant family and tribesmen, took his oath in front of the members of the Provincial Board, while the Honorable Vice Governor Rey T. Uy administered the ceremony. Prior to this, Datu Macla had already took his pledge to the Chief Executive Kuya Gob Edwin Jubahib last December 26, 2019. “I proudly regard this as an honor and achievement by the entire Kagan Community of Davao del Norte, one of the seven major tribes of this Province, as it is, by far, the farthest and highest feat any Davao del Norte Kagan individual has ever reached,” declared Vice Governor Uy.

Vice Gov Uy offers solution to illiteracy

The four (4) Department of Education (DepEd) divisions in the Province of Davao del Norte were invited by the SP Regular Presiding Officer, Vice-Governor Rey T. Uy last February 24, 2020 in what to be considered as an attempt to determine the illiteracy situation in the Province and how this could be properly addressed and eradicated. The Head of the Legislative Department has anchored the plenary deliberation of said issue on the current trending news that Bicol Region has 70,000 del Norte Kagan individual has ever reached.

vice gov uy offers solution to illiteracy

the mandate of the SP in the discharge of its official duties and functions would be much accelerated. “Paspas gyod mi. Basta everything in order we will act immediately. Dili mi gusto mag-dilly-dally. Kay ang posisyon ni Kuya Gob, Chief Executive, miagi pod ko ana (as Tagum City Mayor). Gusto pod nako pinasasay, kay what is three (3) years ang one term, so paspas gyod ta. Fag naay urgent diha importante, pwede mi mag-special session anytime of the day and night. A text away ra ang atong mga board members. Basta what is good for the public, suporta gyud ta, walya daghang istorya ana.” declared Vice Governor Uy.

Vice Gov Uy offers solution to illiteracy

the illiteracy rate in the City by launching “Empowers Youth”, a five year remedial classes in reading that started in the year 2006. During the 8th Regular Session of the SP, the DepEd officials have presented the programs of the agency and its division counterpart strategies that shall promote reading with comprehension. The reading program coordinators of the four divisions have separately presented their actual data and schemes to advance literacy in all levels of their respective jurisdictions.

Sensing that the data presented need revalidation, Vice Governor Uy had enjoined the education officials to submit anew an assessment report per division of non-readers based on classification set forth by DepEd. Said data will be used by the Vice Governor in his planned visitations to all public schools in the entire Province. “During my time as Mayor ko, galibot gyud kog mga eskwelahan, elementary ug high school. I find time nga mulibot ug mga eskwelahan para makahibalo ko kung unsay kahimtang sa mga estudyante sa eskwelahan ug mga teachers” he added.

Under the Vice Governor’s proposal, there will be remedial classes that will be conducted during weekends by reading specialists or student volunteers from recognized universities and colleges in Tagum City to the affected students. They will be compensated with meal allowance and other specified needs or expenses charged against government funds. “Basta in one class, maximum of fifteen (15) students lang and then twenty pesos (₱20.00) ang gibayad sa gobyerno sa iyaha, so three hundred pesos (₱300.00) in one (1) hour.” Vice Governor Uy explained.

“But to tell you, sa mga DepEd, wala mi nag-blame sa inyo. We want to help you…” said Vice Gov Uy as closing statement to the educators whom he said as sacrificing, overworked and overloaded government workers.
"The best way to Find Yourself is to Lose Yourself in the Service of Others". Inspired by this fundamental truth, BM Remitar has been in the service pursuing the mission of endless endeavor in governance surpassing challenges in the field of legislations and the pursuance to its attainment. It is no gainsaying the fact, of this political servility would account to the long political confluence with flying colors for over three decades to say the least.

Resting upon the basic principle of a public office as a public trust, this good fellow has uphold the offices he has been as a legislator and an executive being a barangay captain in barangay Apokon, Tagum City for 18 years from 1989-2007, a two (2) time awardee as Most Outstanding Barangay Captain by the Gawad Media Research Evaluation Society Excellence Achievement Award in the years 1996 and 2000 respectively, and as one of the Most Outstanding Model Public Officials of the Philippines in 1998. He was elected almost eight years as ABC President in Tagum city from 1994-2002. Prior to his election as barangay captain, he hails first as the number 1 barangay councilor in 1982-1989. Moving up then, he was appointed as city councilor in 2006 until his election as full pledged city councilor for 3 straight terms from 2007 until the 2013. In his last term of office, he made him to the top garnering the highest vote for the city councilor in the said political exercises conducted.

Desirous to pursue further his political career, he ran as an independent candidate for 1st District Provincial Board Member during the national presidential election in 2016 and eventually won the 5th place in the provincial board's position. On the 2019th mid-term election he sought reelection placing him 3rd in a row of the 5 contested provincial board's positions. Concurrently he holds the chairpersonship of the Committee on Human Settlement Planning and Development, and Committee on Environment and Natural Resources respectively, and co-chairperson and member also in other standing committees of the Sangguniang Panlalawigan of Davao del Norte this province.

Reminiscing his youthful life, under the influence of his parents who nurture the value of education and beyond, earning degrees for him is more than bookish knowledge, it’s all about inculcating moral values, positive thinking, attitude of helping, attitude of giving to society and ethical values that will be able to bring changes in society. He finished studies as a working student all his college years where he graduated a degree in BS-Commerce, Major in Accounting, and took earning units in Education qualifying for Teachers Board Examination in 1985 where he got a high passing result. Determined to pursue furthermore, he achieved a master's degree as Master in Developmental Management in Government-MDMG, a tool he believe relevant to the position he holds on at present time.

Exploring possibilities and keeping another set of eyes, this man has more to look forward. He made himself engage in civic and religious organizations and focus much on servanthood being a lay minister of the Church for a very long period of time even before his political life as the phrase in his slogan, popularly known as “Kaabag sa Tanang Panahon”. Bro Frank as he is fondly called by his friends and colleagues is a man who can be trusted upon with a high spirit of servility and compassion especially in times of bereaving for demise of loved ones, his presence is there comforting families and relatives through prayers of ritual commendations. He believes that “IN OMNIBUS AMARE, et SERVIRE DOMINO” (In everything, we love and serve the Lord).

Resolusyon sa Transportasyon ug Programa sa Edukasyon giduso ni BM Suaybaguio

By: Jake G. Abejero and Krisel May S. Buot

Sa iyang bahan, gimaguna ni Board Member Nicandro “Nickel” T. Suaybaguio, Jr. isip chairperson sa komitiba sa Edukasyon ang usa ka programa nga makatangabar sa pagpakusog sa mga moral values sa mga kabatan-onan. Mao kini ang Moral Recovery Program, kini giabrihan didto sa Pipsan Maug National High School diin ang nahimong mga benepisyaryo mao ang mga graduating Senior High School Student sa maong eskwelahan. Ubana usab niini nga ilang nga ginhakaran sa maong programa diin sila pulo mismo ning agi sa Responsible Parenthood Seminar. Kini nga nga programa usa lamang nga mga pipila ka mga importanteng programa nga gusto ihatod ni Board Member Nicandro “Nickel” T. Suaybaguio, Jr. ngadto sa katawhan sa probinsiya sa Davao del Norte hilabi najud sa mga kabatan-onan ug alang sa ilang edukasyon ka siya nagadul nga “those who have less in life should have more in Education”.
Dr. Lu enlightens Dabawnons on nCov threat & pushes for its correct information

By: Keeper C. Genota

Being the Chairperson of the Committee on Health and Social Services of the Sangguniang Panlalawigan of Davao del Norte, Hon. Daniel A. Lu, MD, 2nd District Board Member enlightened the members of the August Body and the general public about the Novel Corona Virus (nCoV) through a privilege speech during the 5th Regular Session on February 2020. He urged the Provincial Information, Communication and Knowledge Management Office (PICKMO) to assist in disseminating the correct information about the virus and called the Provincial Health Office, Municipal and City Health Officers to do the same because proper information is very essential to avoid panic among Dabawnons.

“The corona virus has been with us already since 1960, it is called corona virus because of its crown-like features. Coronaviruses (CoV) are large family of viruses that affects the upper respiratory tract- from the nose, to the trachea and to the lungs. That is why any common symptoms ani kay sip-on ug ubo. It causes illness ranging from the common cold to more severe diseases such as Middle East Respiratory Syndrome (MERS) and Severe Acute Respiratory Syndrome (SARS). The World Health Organization emphasized that the novel coronavirus (nCoV) is a new strain that has not been previously identified in humans,” Dr. Lu argued. “It is quite different from MERS and SARS because it is more contagious. As it affects the upper respiratory system, the number one complication would be pneumonia. And when a person acquired pneumonia, he/she is now vulnerable to secondary bacterial infections. When secondary bacterial infection complicates, it already becomes a very serious illness that may result to death. It is virulent in terms of mode of transmission. While SARS affects people one is to one (1:1), the Novel Corona Virus’ transmission rate is one to two point eight (1:2.8) or almost three (3) persons. That is why it spreads so fast from its origin in Wuhan, China to the entire world because of the speed of transmission. But usually, viruses are self-limiting which means within three (3) to five (5) days, mawala ra ni siya sa atong lawas even without medication. However, ang problema ani kay ang Novel Corona Virus spread so quickly. Paspas kayo ang iyang spread that thousands of people worldwide are now being affected and it created a scare and panic everywhere,” he added.

According to BM Lu, since it is self-limiting infection and with no specific drug for its cure, the only way to combat the Novel Corona Virus is to boost the immune system. Those who have died were belonging to the immunocompromised group, those who are already sick, and those of old age with low immune system. Since they are weak, once contacted they get infected without any precaution. In order to strengthen our immune system, he shared the following tips: 1.) Get a good dose of sleep since sleeping is very important to recharge the body. Eight (8) hours of sleep is recommended; 2.) Avoid vices such as too much drinking of alcoholic beverages, instead hydrate yourselves by drinking a lot of water. 3.) Take vitamins, especially those who are already senior citizens because they’ve already lost so many macro and micro elements needed in the body. Taking multivitamins with Zinc would help replenish what were lost; and 4.) Follow good practices such as (a) avoiding crowded places and maintaining a safe distance to avoid contact with virus infected persons, and (b) frequently wash hands because the Novel Corona Virus has an inter-human transmission.

Last March 8, 2020, President Rodrigo R. Duterte declared a State of Public Health Emergency throughout the entire Philippines through Proclamation no. 922. This issuance was made, through the recommendation of the Department of Health (DOH), in order to render full assistance and cooperation, and mobilize the necessary resources in undertaking critical, urgent, and appropriate response and measures in a timely manner to curtail and eliminate the COVID19 threat. Consequently, through the directive of Governor Edwin I. Jubahib, the Sangguniang Panlalawigan of Davao del Norte held a Special Session last March 14, 2020 to approve the resolution Re-programming CY 2020 Provincial Disaster Risk Reduction Management Fund (Trust Fund) to fund the Preparedness and Mitigation Measures against COVID-19 in the Province in the amount of Thirty-Two Million Nine Hundred Fifty-Three Thousand Five Hundred and Fifty-Four Pesos and Thirty-Five Centavos (PhP 32,953,554.35) recognizing that prevention and control of the COVID19 epidemic is one of the most important tasks of the legislators.
THE SP OFFICIALS
Term: 2019 - 2022

HON. REY T. UY
Vice - Governor
