How Vice Governor Rey T. Uy Celebrates Christmas? He serves the public in an Aksyon Agad way!

By: Carl John Maglinte & Iris Temperatura

Vice Governor Rey T. Uy celebrates Christmas by giving and responding to the needs of the people.

From November to December, numerous people from the Province of Davao del Norte have received their early Christmas gift as Vice Governor responded to their requests. More than a hundred of wheelchairs and canes are given to our senior citizens and differently abled people in Davao del Norte. A laptop was also gifted to the Philippine National Police (PNP)-Talaingod Intelligence Section and one split-type air-conditioning unit was also installed at Davao del Norte Police Provincial Office (DNPPO)-K9 Bomb Squad Unit for them to get their job done easily and for them to be more efficient and effective while doing their tasks in a pleasant and comfortable workplace.

Monoblock chairs were also distributed to nine (9) barangays of this province, namely: Brgy. San Vicente, Panabo; Brgy. Mesaoy, New Corella; Brgy. Linao, San Isidro; Brgy. Cabayangan, Braulio E. Dujali; Brgy. Sampao, Kapalong; Brgy. Igangon, San Isidro; Brgy. Libuton, San Isidro; Brgy. San Vicente, Asuncion; and Brgy. Gupitan,

Kapalong); and to the two offices of Tagum City, namely: Social Security System (SSS) and Tagum Federation of Transport Services Cooperative (TAFETRASCO).

On the request of Punong Barangay Cathy Ballesteros of Brgy. Liboganon, Tagum City, for graveling of damaged roads for motorists' convenience, Vice Governor Uy showed what Aksyon Agad truly means by quickly filling up gravels on said roads.

A family in Brgy. Madaum, Tagum City was also abetted through giving them construction materials for their house. Vice Governor Uy has shown his sympathetic and compassionate heart towards his constituent by immediately responding to Barangay Officials' request in his office to offer aid to one family who has dreams of repairing their house. Now, the house is repaired and the recipient family became strongly bonded despite many life's challenges.

As his legacy to go beyond legislation continues, Vice Governor Uy has distributed jetmatic water pumps to the various puroks and barangays all throughout the province. Through him, their respective drainages were

maintained and their buildings/offices were improved as he ardently extended project and financial aid to address their requests. Moreover, he awarded boxes of book papers, cans of paint and printer units to different elementary schools and high schools provincewide, in aid of distance learning approach and in participation to the Brigada Eskwela Program of the Department of Education (DepEd).

In the continuing war against the dreaded Coronavirus Disease 2019 (COVID-19), Vice Governor Uy unceasingly distributed groceries and food packs to the COVID-19 affected constituents as well as COVID-19 essentials and supplies to our medical heroes. Further, his continuing program on medical, financial and burial assistance has greatly aided the Davaonon people.

Vice Governor Rey T. Uy truly embodies the essence of being a public servant, having the heart and compassion of a true leader to go the extra mile in delivering not only the basic but the best services he can offer. No matter what time and no matter what season, Vice Governor Uy serves his people in an Aksyon Agad way. 🙏

BM Popo Estabillo Jr. authors **BANTAY ASF sa Barangay** or “**BABay ASF**” Program in Davao del Norte

By: Jaypee M. Larubes

Caused by the pandemic, the ubiquitous economic activity of Swine Raising among Dabaonons has experienced a huge deficit brought about by the incursion of ASF (African Swine Fever) in the Province of Davao del Norte that has led to loss of livelihood source, food security threat and social displacement of hog raisers and piggery workers. This ASF disease has affected an estimated swine population of one hundred thirty-nine thousand one hundred eight (139,108) heads based on data of the Philippine Statistics Authority (PSA), that is one hundred thousand six hundred seventy-four (100,674) heads of backyard operations and thirty-eight thousand four hundred thirty-four (38,434) heads for the commercial operations.

Knowing the urgency to address the resurgence of ASF and mitigate its adverse impacts, Board Member Prospero “Popo” Estabillo Jr. immediately crafted an ordinance to jumpstart the rehabilitation of the local hog industry and to ensure the availability, adequacy, and affordability of pork products, all for the purpose of attaining food sufficiency and security in the province.

BM Estabillo, being the Chairperson of the Committee on Agriculture of the Sangguniang Panlalawigan, aided by Dr.

Rommel B. Montiel, Veterinarian IV, of the Provincial Veterinary Office of Davao del Norte, instantly conducted the New Normal Virtual Public Hearing of Provincial Ordinance No. 2021-010, entitled “Strengthening the Implementation of the Bantay ASF sa Barangay or BABay ASF Program in the Province of Davao del Norte,” last November 23 to 26, 2021 for the (11) LGU’s of Davao del Norte. Also invited and attended as direct respondents of the said virtual public hearing were the different City and Municipal Veterinarians, Agriculturist, SP Chairperson of the Committee on Agriculture of LGUs, Economic Enterprise Managers, ABC Presidents and Stakeholders who are engaged in pig farm industry in the province.

Dr. Montiel updated the LGUs on the various programs and interventions against ASF including the “Bantay ASF sa Barangay” and the accompanying hog repopulation program, the modified protocols in managing, containing and controlling the ASF, and livelihood assistance under the Program to ASF-affected hog raisers. BM Popo explained in the ordinance that an amount of at least Two Million Pesos (PhP2,000,000.00) shall be allocated annually for the Provincial ASF Task Force earmarked for personnel services, purchase of disinfectants,

disease monitoring and surveillance, indemnification in cases of outbreaks and printing of Information, Education and Communication materials. In any event of ASF outbreak, the Task Force will extend a financial assistance of at least Two Thousand Pesos (PhP2,000.00) per head of pig culled regardless of age with suckling piglets not included. Only a maximum of twenty (20) heads per farmer under a small-hold farm shall be paid off. Commercial farms are not included in the indemnification program. Only farmers enrolled under the Registry System for Basic Sectors in Agriculture (RSBSA) shall avail of the said assistance. The Task Force shall also extend provisions for livelihood activity like free-range chicken for affected farmers to recover from the economic losses of the outbreak.

BM Estabillo added that it would be stronger if they have the program implemented down to the municipal level, especially since the economy is starting to open. It seeks to create an effective ASF monitoring, surveillance, and reporting system, to intensify the practice of biosecurity measures in all hog farms, and to assist in recovering the hog industry. Nonetheless, BM Estabillo said that they continue to campaign for consumers not to buy pork products coming from places with ASF cases.

BM JUNJUN MATOBATO, A FAMILY MAN AND A MAN FOR OTHERS

By: Atty. Mary Jane E. Misoles-Matobato

Hon. Silvino "Junjun" Matobato, Jr., Federation President of the Philippine Councilors League (PCL) in Davao del Norte, and Ex-Officio Board Member in the Sangguniang Panlalawigan of Davao del Norte, could have lived a quieter life as a Licensed Physical Therapist.

But as it turned out, God had other plans for him. Plans that aligned his fate to the life of his Lolo Didoy Perales, one of the first batch of Board Members when the Province of Davao del Norte was created in 1967. Though it would be years later before BM Matobato's birth, his exposure to the post-government activities of his grandfather made quite an impression on him as a young boy.

Fondly called "Junjun" by family, friends, schoolmates at the Cambanogoy Central Elementary School and the Maryknoll High School of Asuncion, and by the community that saw him grow up to be the man that he is now, BM Matobato was in grade school

when he first realized that his Lolo Didoy mediated conflicts, helped people find their way out of certain predicaments, and just basically helped everyone who sought his counsel. Thus, the young boy who would later become a public servant himself, held public service in high regard. So high that he didn't think he was up for it.

There was no denying, however, the call to public service. In 2004, BM Matobato was elected as one of the Sangguniang Bayan Members in the Municipality of Asuncion. That set him on a 3-term journey as Municipal Councilor from 2004 to 2013, and earned him a fresh mandate in the succeeding national elections in 2016 and local elections in 2019.

In an unexpected turn of events, too, his reelection in 2019 demanded that he take a leap of faith in leading fellow local legislators. He did, and was honored by a resounding vote of confidence by fellow councilors in the Province of Davao del Norte, to

be their PCL Federation President. This further led to his participation in provincial legislation-making, as an Ex-Officio Member of the Sangguniang Panlalawigan of Davao del Norte which, in turn, deepened his appreciation for the many facets of public service.

BM Matobato is married to Atty. Mary Jane E. Misoles-Matobato. He is a hands-on father to two boys and a fur parent to two dogs, seven cats and counting. He is also a farm tenant or farmer in his hometown. A family man through and through, the delicate balance between family responsibilities and his commitment to public service remains a priority for him.

Truly, he could have lived a quieter life, had he only thought of his personal welfare, or that of his family. But it wouldn't have been as fulfilling as the life he has now as a family man, and as a man for others. BM Matobato has made his choice, and he wouldn't have it any other way. 🙏

Re-alignment sa ₱200-M LBP loan giduso ni BM Tete So aron pondohan ang mga proyekto sa mga barangay

By: Lorenzo D. Orias, Jr.

₱1.065-bilyones loan

Mahinumdoman sa tuig 2020 gi-aproban sa Sangguniang Panlalawigan, sa pagpanguna sa Chairperson sa Committee on Finance, Budget and Appropriations nga si Senior Board Member Robert "Tete" So, ang SP Resolution No. 240 niadtong Marso 2, 2020 nga nagatugot ni Gobernador Edwin Jubahib, isip local chief executive sa probinsya, sa pag-utang ug suma total ₱1.065 bilyones ilawom sa omnibus term loan facility (OTLF) gikan sa Land Bank of the Philippines (LBP) Tagum Branch aron pagapondohan ang nagkadayang proyekto sa probinsya sa Davao del Norte. Apil sa naasoy nga OTLF ang pagpondo sa park development projects sa mga component LGUs sa kantidad nga ₱200 milyones aron mapalambo ang natad sa turismo sa Davao del Norte. Ang maong loan realignment nahimong ika-duhang hugna (2nd tranche) sa pag apod-apod ug pondo alang sa mga barangay sa Davao del Norte gikan sa OTLF. Ang 1st tranche una nang naaprobahan sa SP nga nagkantidad ug ₱330 milyones nga kabahin usab sa LBP loan aron pundohan unta ang pagtukod sa multi-purpose complex sa syudad sa Tagum. Sa buhatan sa gobyerno, ang realignment nagpasabot nga ibalhin ang pondo sa laing proyekto uban ang pagtugot sa Sanggunian.

₱200-M loan realignment

Ang kapit-os sa panahon sa pandemya ang rason nga giduso ni BM Tete So ang maong realignment. Mahinumdoman nga na-approve ang OTLF sa wala pa nagsugod ang ECQ sa Probinsya aron sa pagpakgang sa pagkuyanap sa COVID-19. Limitado ang pagsuroy-suroy sa mga tawo ug turista sa Davao region nga mao unta'y maghatag ug "revenues ug income", kun return on investments sa maong multi-million projects sa administrasyon. Mao kini ang nakitang dakong rason ni BM Tete So

nga angay i-realign ang ₱200 milyones loan ngadto sa ubang proyekto nga mas gikinahanglan sa katawhan ug haom sa kasamtangang sitwasyon sa Davao del Norte. Dugang ni BM Tete So, maayo ang tumong sa administrasyon nga palambo pa ang natad sa turismo sa probinsya apan mas ginikanahanglan sa probinsya ang paghatag ug tabang sa matag barangay isip buffer sa negatibong epekto sa ekonomiya ug panginabuhian sa mga Dabaonon tungod sa COVID-19.

Pondohan sa maong realignment ang pagpaayo/rehab sa rubberized oval track sa Davao del Norte Sports and Tourism Complex sa kantidad nga ₱35 milyones. Kini human nakita nga aduna na'y significant deterioration sa oval track nga posibleng makadisgrasya. Lakip usab pagapondohan sa realignment ang nagkadayang proyekto sa mga barangay sama sa pagpatukod ug child development centers, pagpatukod/pagpalambo sa mga health centers, barangay halls, multi-purpose buildings, covered courts/bleachers/CR, drainage canals ug foot bridge, pagpatukod ug street lights, pag-instalar/pagpalambo sa mga water systems, ingon man pagpasamento sa mga kadalanan sa nagkadayang barangay sa Probinsya. Mikabat sa ₱159 milyones ang nagahin para sa economic services ug ₱4.5 milyones para sa health services ilawom sa realignment.

Pinaagi sa paggahin ug pondo matag barangay alang sa mga gikinahanglang proyekto, ang Probinsya naghimo ug laing lakang aron hinay-hinay nga makarekober sa normal ang atong mga komunidad. Kini nga mga proyektong imprastruktura maghatod ug positibong kaayohan sa tanan. Dugang ni BM Tete So, angayan lang nga ipaabot sa katawhan ang kalamboan nga gipangandoy ug gilauman sa tanan. Naaprobahan ang maong realignment niadtong Nobyembre 15, 2021 ilawom sa Supplemental Budget No. 3.

Bamboo industry sa DavNor gipakusgan ni BM Nickel Suaybaguio

By: Jake G. Abejero & Krisel May B. Medenilla

Sa nilabay nga tuig daghang hagit ang natagamtaman sa mga lumulupyo sa Davao del Norte. Una na diri ang pagsulod sa global pandemic nga COVID-19 diin naapektuhan dili lamang ang dagan sa kinabuhi kundi apil sad ang panginabuhian sa matag usa. Dungag pa ang pagsulod sa African Swine Flu (ASF) sa probinsya nga ningharos sa pangita sa mga hog growers. Naapektuhan sab ang mga banana farmers sa Davao del Norte tungod sa pagkuyanap sa Panama disease.

Tungod aning mga hulga nga gisagubang sa mga Dabaonons, nangita og mga pamaagi si Board Member Nicandro "Nickel" Suaybaguio aron makatabang sa katawhan. Usa sa naay pinakadakong potensyal nga

nakita ni Hon. Suaybaguio mao ang pagpabaskog sa Bamboo Industry sa probinsya. Ang bamboo kun kawayan nga ginatawag kaniadto nga "kahoy sa kabus", giila na karon isip "berdeng bulawan" tungod sa nagkalain-lain nga pwedeng gamitan niini sama sa pagtukod og balay, pagbuhat og furnitures ug mga handicraft. Ang paspas ug maayo nga pagtubo niini sa probinsya naghimo niining kawayan isip nindot nga kapuli isip panginabuhian sa mga katawhan.

Wala kini gipalampas sa halangdong public servant nga si BM Nickel. Nakigtambayayong gilayon siya sa Department of Trade and Industry (DTI) ug Tagum City Trade School and other Private Parties aron masugdan

ang maong proyekto. Isip Architect by profession, mangunay sad si Hon. Suaybaguio sa pag-conceptualize ug pag-design sa mga produktong pagabuhaton gamit ang mga kawayan.

Personal nga kwarta ni Gobernador Edwin Jubahib nga nagkantidad og P1-Million pesos ang gigahin nga budget sa maong proyekto nga nagtumong sa pagtabang sa mga residente sa DavNor nga dakong naapektuhan sa COVID-19, ASF, ug Panama disease, ug mga miyembro sa Indigenous Cultural Communities. Dili lamang sila ang gilayong matabangan sa Bamboo Industry, tumong sad ni BM Suaybaguio nga magmugna og organisasyon sa mga bamboo growers alang sa sustainability sa maong programa. 

Incentive for Appointed Barangay Blood Program Coordinators Okd, "they are unsung heroes"- BM Lu

By: Keeper Genota

The Sangguniang Panlalawigan of Davao del Norte, through the initiative of Board Member Denise Marianne A. Lu, MD, Chairperson of the Committee on Health and Social Services, unanimously approved Provincial Ordinance No. 2021-006, "Granting a Financial Assistance/ Incentive of Three Thousand Pesos (₱3,000.00) per annum to Appointed Barangay Blood Program Coordinators of Davao del Norte, defining the qualifications/functions thereof and appropriating funds for the purpose," approved on November 28, 2021 during the 45th Sangguniang Panlalawigan Regular Session.

The subject Provincial Ordinance intends to grant incentive to appointed Barangay Blood Program Coordinators that recognizes the services of the Barangay Blood Program Coordinators who are actively and regularly performing their duties, in their commitment for the sustainability of the Provincial Voluntary Blood Sufficiency Program of Davao del Norte.

The National Blood Services Act of 1994 (Republic Act No. 7719) promotes

and encourages Voluntary Blood Donation by its citizenry, rooted on the strategy which aims to provide adequate supply of safe blood under the National Voluntary Blood Services Program. The same law provides for the creation of the Local Blood Councils which shall spearhead the Local Blood Donation Program for the voluntary and non-profit collection of blood.

At present, there are two hundred twenty-three (223) Barangay Blood Program Coordinators (BBPCs) serving as frontliners in the delivery of Basic Health Services, particularly in the provision of safe, accessible and quality blood in their respective communities.

"Our Barangay Blood Program Coordinators, same with our Barangay Health Workers are our unsung heroes in this pandemic. These are the people who have been tirelessly working on the ground, so that government services may be able to reach our constituents who need it most in every Barangay especially in far-flung areas. They deserve this recognition and incentive," Dr. Lu said in an interview.

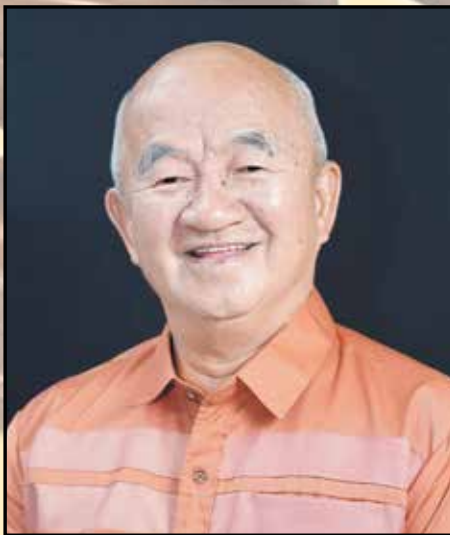

There will be a sufficient amount that shall be appropriated yearly under the Provincial Government's coffer and the financial assistance/incentive shall be paid in lump sum every December of each year to commence on December 2021 and every year thereafter in accordance with the usual accounting principles and auditing rules and procedures.
